Murrumburrah High Parade At Canberra Show

Oscar Phillis, Blake Parker and Jack Allen. Murrumburrah High School spent 3 days at the Canberra show last week parading 5 head of steers and heifers. The 20 students had a busy schedule after arriving Wednesday morning to the showgrounds. Washing of the cattle started the day, followed up by all students who were 15 years and younger entering the parading ring for a paraders' competition. Successful in the ring were Jack Allen – Murrumburrah Public School (8 years) placing 2nd. Oscar Phillis placing 4th. In the 13 – 14yrs, this competition was fierce and our students stood up to the battle and paraded well on the day. **Continued page 3.**
