

Cricket Trial For MPS Students

Jack Brooker, Isaac Brown & Rory Arabin participated in the Riverina Boys Cricket trials in Deniliquin last Monday.

Cassidy Cashes on Chippie's Chattels

This week the Members competed for Chippie Nathan Schofields Trophy and also for the March Monthly medals and Guzzlers Mug. Producing a round reminiscent of 15 years ago, our Mower Mechanic to the Stars, Darrell Cassidy has brought home a round for the ages.

Playing off a modest handicap of 9 these days, Darrell still rates as having one of the best short games in the Club. Darrell has produced a 1 over par round of 72, less his handicap of 9 for a very impressive 63 nett. In so doing, Darrell has picked up the A Grade Scratch, the A Grade Medal, the Nathan Schofield Trophy and also the Teetotallers Mug. A very impressive outing. Being the start of the year long Eclectic, maybe Darrell has jumped in too hard when it comes to hole improvements yet too come, we will see

Our B Grade Medallist played a very consistent round all day, knocking them up the middle, and draining solid 6 to 10 foot putts early on to set up his round. Bernie Parker presented to the judges with quite a handsome 69 nett on a countback from playing partner Ron Page. Ron edged Bernie out for the B Scratch shooting 85, both gents 2 below their handicaps on the day.

Balls for the day went back to 69 nett in a tough day out for the field to make this elite crew. Balls went to Brian Wales 67 nett (tough world in A Grade now big boy ?), his brother and local cum Moruya

visitor Garry Wales on 68 nett, Bernie Parker and also Ron Page on 69 netts. Tim Beveridge made nearest the pin at 3.13m on our Bendigo bank sponsored Hole in One Hole, to take a ball. Ron Page walked away with a carton of gold for the day's raffle of cards. Howls of scepticism were noted on the calling of this card.

Bob Martin Takes Midweek
In a lower than the normal deep pockets scoring seen on midweek days, our winner this week did just enough to edge out the field and effect the least damage to his handicap. Bob Martin has shot 1 under his handicap and won by 1 shot over the fast finishing Garth Webb and Greg Heycox who played to their respective handicaps on the 12 hole, par 24 stableford point layout.

Bob was victorious with 25 points, whilst Garth and Greg both recorded 24 points. Equal 3rd (or actually 4th technically) were David James, Peter Steinke and Peter Steinke. Good practise for these boys before their annual River Golf pilgrimage.

Our lucky ball winner in this weeks stronger number field was Ron Kerr.

This Week
Our Gents on Saturday will be playing for the Ron Page Trophy in an individual Stableford. Our Ladies also will be resuming with a Club Trophy stableford.

See you out there gang.

Cootamundra Zone Swimming Carnival

Last Friday, students from Murrumburrah Public as well as schools around the district, participated in the Cootamundra Zone PSSA swimming carnival held in Cootamundra. The day was a great success with our students performing admirably both in and out of the pool. Student's behaviour and conduct was first class with constant display of our three core values, respect, responsibility and empathy. The action in the pool was also first class. Our students all competed with determination and pride.

Well done to all our swimmers on a great day. We must send our congratulations particularly to our girls and boys junior relay team, boys senior relay team, Brooke Emms, Hannah Guy, Evie Giddings, Charlie Lenehan and Mackenzie Hambrook, who will all be representing our Zone at the Riverina swimming carnival in Albury on 13 March.
